PROPOSITION
Shall the municipality of West Plains, Missouri, extend the imposition of its existing sales tax of one-half of one percent (1/2 of 1%) for the purpose of funding capital improvements including but not limited to, acquisition of playground equipment and other improvements and additions to City parks and playgrounds; improvements and additions to City sidewalks, trails and bike paths; construction and furnishing of a new fire station and purchasing of a new fire truck; construction of a Transit System Bus Barn; rehab or construction of a Butler Park Building; and providing some costs of operation and maintenance of capital improvements made with revenues raised by such tax, said tax to terminate eleven (11) years from the date on which such sales tax extension becomes effective?

The approval of this Proposition will authorize the extension of the City's existing sales tax of one-half of one percent (1/2 of 1%) for an additional eleven (11) years, which will be collected in addition to the other sales taxes provided for by law on all retail sales made in the City of West Plains, Missouri that are subject to taxation under the provisions of Sections 144.010 to 144.525, inclusive, of the Revised Statutes of Missouri, as amended.
